Contracts

Consideration will be made of in-house capabilities to accomplish services before contracting for them. Except as otherwise provided in these policies, the School Director may enter into contracts and agreements not to exceed \$10,000 without Board approval, provided funds sufficient for the contract or agreement are authorized and available within the school's board-adopted budget. PURCHASING AND VENDOR PAYMENT

Segregation of Duties

The School will develop and maintain purchase order forms to document the authorization of non-payroll expenditures. All proposed expenditures must be approved by the School Director who will review the proposed expenditure to determine whether it is consistent with the Board-adopted budget. In the absence of a vendor invoice, the School will develop and maintain a check request form to document the approval of payment for specific items.

All transactions will be posted in an electronic general ledger maintained by Back Office. To ensure segregation of recording and authorization, the bookkeeper may not co-sign check requests for purchase orders.

General Purchasing Procedures

All purchases over \$10,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services. The School Director shall not approve purchase orders or check requests lacking such documentation. Documentation shall be attached to all check and purchase order requests showing that at least three vendors were contacted and such documentation shall be maintained for three years. All purchases in excess of \$10,000 must be bid by a board-approved process, except in the case of emergencies that necessitate the purchase of emergency response supplies, equipment, or services.

The School Director may authorize expenditures and may sign related contracts within the approved budget. The Governing Board must review all expenditures. This will be done via approval of a check register which lists all checks written during a set period of time and

iLEAD Agua Dulce Fiscal Policies and Procedures

The individual using the petty cash to make a purchase is responsible for submitting the receipt for the petty cash slip to the Office Manager within 24 hours of withdrawing the petty cash.
2. When expenditures total \$400 (when cash balance is reduced to \$100), the Office Manager will total the disbursements, complete a Petty Cash Reimbursement Form, and obtain the approval of the School Director. This should be done on at least a quarterly basis. The supporting receipts will be attached to the reimbursement request form and forwarded to Back Office.

The packing list should be submitted to Back Office with the invoice.
2. Once approved by the School Director, he/she will sign then the invoice or email approval for payment and note the specific budget line item that is to be charged for the specified expenditures if it is not readily apparent from the description on the invoice. Back Office will then process the invoices with sufficient supporting documentation.
3. The School Director may authorize Back Office to pay recurring expenses (e.g. utilities) without the School Director's formal approval (signature) on the invoice when dollar amounts fall within a predetermined range. A list of the vendors and the dollar range for each vendor must be provided to Back Office in writing and updated on an annual basis.

Bank statements will be received directly, unopened, by a school site staff member that does not have access to cash or the authority to approve payments. This staff member then scans and emails the statement to Back Office (or Back Office may be granted view-only online access). Once the statement is received:
