

## iLEAD Hybrid Graduation Policy

Board Approved: June 16, 2020

### **HIGH SCHOOL DIPLOMA**

The term “regular high school diploma” is defined as a diploma fully aligned to grade-level standards. Students typically complete mandated academic courses to receive a standard high school diploma. California Education Code 51225.3 defines the mandated high school courses needed to earn a regular high school diploma.

iLEAD Hybrid has chosen to provide differentiated diploma options. These alternatives not only address the mandated high school courses needed to earn a regular high school diploma, but also offer a diploma based on A-G requirements that provide greater access to college and exceed the state’s minimum requirements.

### **iLEAD Hybrid Graduation Requirements**

High School Subject Area	<b>Basic Instruction:</b> Graduation Requirements	<b>Customized Instruction:</b> Graduation Requirements	<b>CSU/UC</b> Graduation Requirements	<b>Certificate of Completion</b> (EC Section 56390)
English	3 Years (30cr)	4 Years (40cr)	4 Years (40cr)	iLEAD Hybrid may award a learner with a disability a COC if the following requirements, (a),(b), or (c) are met.
Math	2 Years (20cr) Algebra 1 required	2 Years (20cr) Algebra 1 required	3 Years (30cr) Geometry or Integrated Math 2 required	
Science	2 Years (20cr)	2 Years (20cr)	2 Years required

<b>Total Credits</b>	<b>180 Credits</b>	<b>210 Credits</b>	<b>240 Credits</b>	

## GRADUATION REQUIREMENT EXEMPTION

Under Ed. Code 51225.1, the following learners may be exempted from iLEAD Hybrid's graduation requirements under specific circumstances:

- Foster Youth
- Homeless Youth
- Former Juvenile Court Youth

- Children of Military Families
- Migrant Youth
- Newcomer Youth

Should a learner in one of the above groups meet the requirements under EC 51225.1, school counselors will work with the learners who will either choose to:

- Complete a 5th year at iLEAD Hybrid in order to meet iLEAD Hybrid diploma requirements, OR
- Complete the iLEAD Hybrid Graduation Requirement Exemption waiver to become eligible for a diploma under California’s minimum graduation requirements.

iLEAD Hybrid shall ensure a learner who meets the criteria under EC 51225.1, shall be eligible to participate in any graduation ceremony and any school activity related to graduation in which a graduating learner of a similar age would be eligible to participate.

**California Minimum Graduation Requirements (EC 51225.1)**

English	30cr	US History	10cr	PE	20cr
Algebra 1	10cr	World History	10cr		
Math	10cr	American Govt (Civics)	5cr		
Biological Science	10cr	Economics	5cr		
Physical Science	10cr	Vis/perf arts;Foreign Lang; or CTE	10cr		<b>Total 130cr</b>

**CERTIFICATE OF COMPLETION (COC)**

The COC option is available to learners who cannot complete the requirements for a regular high school diploma that iLEAD Hybrid offers. These learners are eligible for educational placement and services under their IEP. The COC option **does not** equal a regular high school diploma. The graduation option that the IEP team chooses shall be documented clearly as part of the Transition Plan, as well as marked on the IEP’s offer of Free and Appropriate Public Education (FAPE)/Educational Settings page.

IEP teams can waive academic courses the learner attempted prior to being identified as progressing towards a COC. Conversely, while a learner is progressing towards a COC, IEP teams should convene to analyze factors preventing a learner from successfully completing a required academic course. The IEP team should evaluate if the IEP goals, services, and supports are reasonably calculated, and if the learner will receive further educational benefit through repeating a specific course. While learners may have access to the general education curriculum, most learners receiving a COC participate in California's Alternate Assessment testing system, which is documented on the IEP's Statewide Assessment page.

A learner with a disability who has satisfied the following three requirements, but who has not satisfied the requirements for a diploma, may receive a COC:

- Satisfactory completion of a prescribed alternative course of study as identified on the student's IEP; or
- Satisfactory achievement of the student's IEP goals and objectives during high school as determined by the IEP team; or
- Satisfactory high school attendance, participation in the instruction prescribed in the student's IEP, and achievement of the objectives stated in the transition plan.

iLEAD Hybrid shall ensure a learner with disabilities who meets the criteria specified above shall be eligible to participate in any graduation ceremony and any school activity related to graduation in which a graduating learner of a similar age without disabilities would be eligible to participate. In addition, iLEAD Hybrid shall ensure that the learner will continue to have access to special education and related supports and services until the learner meets iLEAD Hybrid's criteria to receive a high school diploma or until age 22.
