AB 361 Emergency Legislation Regarding Brown Act Meeting Requirements Board Approved:

Whereas, the Governor signed an Executive Order Suspending the Brown Act until October 1, 2021,

Whereas, the Governor signed Emergency Legislation AB 361 in September 2021,

Whereas, according to AB 361, the public charter school Board may take advantage of additional flexibility in teleconference meetings so long as the school complies with the following:

- The public has access via internet and/or telephone to the Board meeting and can provide public comment in some electronic form,
- The charter school uses it sound discretion and makes reasonable efforts to adhere, as closely as possible, to the other provisions of the Brown Act in order to maximize transparency and provide public access.

Whereas, AB 361 states that:

• If there is a state of emergency proclaimed by the Governor, the same suspension of teleconferencing rules apply, if either state or local officials have imposed or recommended measures to promote social distancing or, by Board vote a finding imminent risk to health or safety of attendees.

Whereas, SB 361 requires:

- The Board must provide means of how public comment will be available (internet/by phone);
- If a technical disruption occurs, no action can be taken; and
- No early requirement for public comment will be set into place and the Board shall allow for "real time" comments during full public comment period; and
- The Board makes a finding every 30 days to continue teleconferencing.

Therefore, based on the Board's 30-day reconsideration of the current circumstances of the State of Emergency and situations of the State of Emergency continues to directly impact the ability of members to meet safely in person, and/or the State or local officials continue to impose or recommend measures to promote social distancing;

The Board has determined that it will hold its next meeting in a hybrid mode allowing Board Members and the public to attend the meetings in person using social distancing requirements or virtually given individual needs and choice of the attendee.

iLEAD Online Single Plan for Student Achievement

School Name: iLEAD Online

About the School: iLEAD Online Charter School is a K-12 independent study online public charter school authorized by the Acton Agua Dulce Unified School District in Los Angeles County and opened in July, 2017. The school meets the needs of families who prefer virtual learning for their children who are supported by a credentialed academic coach, facilitators and a program which supports educational options and flexibility. The school provides students and families flexibility of scheduling throughout the week to complete coursework and activities and offers a broad course catalog and unique customizable project approach for demonstrating mastery of the California State Standards.

School Mission and Vision:

The mission of the iLEAD Online is to provide a rigorous, relevant, inquiry-based, self-directed and collaborative learning environment for all learners in grades K-12 to prepare them for college and career.

The vision of iLEAD Online is that all learners will possess the knowledge, skills, and confidence to achieve health and wellness, master academic standards, develop a deep understanding of subject matter and collaborate effectively with the community in which they live. All learners will graduate college and career ready by meeting rigorous graduation requirements.

CDS Code:

19 75309 0136531

SSC Approval Date: March 14, 2022 Local Board Approval Date:

Purpose

The purpose of this plan is for targeted support and improvement for learners falling below proficient in English Language Arts and Math.

The school Single Plan for School Achievement goals are based upon a comprehensive needs assessment that includes an analysis of verifiable state data, including information displayed on the most current CA School Dashboard. Other school data, such as NWEA MAP assessments, is utilized to further measure and monitor achievement throughout the school year. School goals are aligned with iLEAD Online's Local Control Accountability Plan (LCAP) goals and include the same metrics/indicators where possible. Input and advice is solicited from key school community members including staff and parents.

The school receives Federal Title I, Title II, and Title IV funding from the Federal government.

Title I funding is allocated for Math and ELA interventions for targeted learners falling below proficiency levels. During the 2021-2022, Title II and Title IV funding will be transferred to the Title I budget in order to add additional support for direct services to targeted learners.

ESSA Requirements

This plan will align our school goals in this SPSA to the school's Local Control and Accountability Plan (LCAP) as possible. The school will meet the Every Student Succeeds Act (ESSA) by having fidelity and coherence to the California State Standards and the school's educational program as outlined in the most recent charter petition. The school will use Project-Based Learning, a focus on social emotional learning (SEL), and personalized support with a Multi-Tiered System of Support (MTSS). NWEA MAP assessments in math and reading are given 3 times annually to differentiate learning and target struggling learners for support, as well as monthly data protocol by class/grade level and semester school-wide data protocols. The focus on schoolwide coherence, teamwork, learner engagement, learner achievement is how we will strive to meet the ESSA requirements. Educational partners, including the SSC, staff, Board parents, and school leaders will review the SPSA and learning data to ensure that it reflects efforts to increase learner growth and achievement through data informed practices. The SPSA compliments the school's LCAP goals and actions to ensure efficiency in evidence-based continuous improvement practices and school resources.

Educational Partner Involvement

The annual SPSA process starts in the spring for the following school year and is finalized in the fall after initial learner assessment data is analyzed. The school utilizes numerous ways to obtain feedback and input for the development of the Single Plan for Student Achievement (SPSA) plan. The SPSA is reviewed and input is welcomed by the learners, staff, parents, Board Members, and community members. Staff reviews and analyzes the SPSA through staff meetings. A School Site Council meeting is held to review, give input, and approve the plan before going to the School Board Members for approval.

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California *Education Code* (*EC*) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with *EC* 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory

groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA-and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school's identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school's identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the "Strategy/Activity #" for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency's budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating "All Students" or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as

instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the

strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

• Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
- A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 - 1. The comprehensive needs assessment of the entire school shall:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, facilitators, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

- 1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
- 2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseinvestment.pdf);
- 3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
- 4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, facilitators, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

- Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

iLEAD Online Charter School Learner Residency Policy

Board Approved:

California law requires that in order for a learner to be enrolled in iLEAD Online Charter School ("iLEAD Online"), the learner must reside within Los Angeles County, Ventura County, Kern County, San Bernardino County, or Orange County (collectively, the "Authorized Counties"). (Ed. Code, § 51747.3(c).)

The purpose of this Policy is to accomplish the following:

- 1. Define Residency
- 2. Outline Proof of Residency Requirements
- 3. Establish Where School Materials will be Mailed
- 4. Outline the Procedures for Children of Military Families
- 5. Outline the Procedures for Homeless Youth
- 6. Outline the Procedures for Foster Youth
- 7. Outline the Procedures for Migratory Youth
- 8. Outline the Procedures for the Investigation of Inaccurate, Suspicious or False Addresses for Learner Residency
- 9. Outline the Procedures for Disenrollment
- 1. **Definition of Residency:** For purposes of this Policy, a learner has residency in the state and county of the primary residence of the parent/guardian with whom that learner lives. If custody of a learner is shared between parents living separately, the learner may attend iLEAD Online if one of the parents meets the residency requirements.
- **2. Location of Learner Served.** Some students at iLEAD Online may be eligible to receive specialized services, including but not limited to occupational therapy, speech therapy, and certain types of counseling services. Due to the licensing requirements for such services, by law some services may only be provided to a learner when the learner is physically located in California. For this reason, a learner on vacation or who otherwise seeks to participate in their educational program while outside California is responsible for notifying the school ahead of time and making the appropriate arrangements for such services.
- **3. Proof of Residency:** Upon enrollment in iLEAD Online, the student's parent/guardian is required to provide proof of residency. If the student's residence changes, a parent/guardian must notify the school and provide updated residency information. Acceptable evidence that the

learner meets the residency requirements must be established by documentation showing the name and address of the parent/guardian, including but not limited to any of the following:

- 1. Property tax payment receipts.
- 2. Rental property contract, lease, or payment receipts.
- 3. Utility service contract, statement, or payment receipts (e.g., gas, water, electricity, etc.).
- 4. Pay stubs.
- 5. Voter registration.
- 6. Correspondence from a government agency (e.g., Social Security, Medi-Cal, etc.).
- 7. Any other acceptable evidence as determined by the iLEAD Online Director (e.g., Housing Questionnaire).

If the parent/guardian is not the primary resident at the home and does not have proof of residency (e.g., if living with another family), a Shared Residence Affidavit must be filled out by the parent/guardian and the primary resident.

- **4. Mailing of School Materials:** All school materials will be mailed to the address identified in the student's proof of residency documentation. Mail or materials will only be sent to an address other than the address on-file with the school upon prior written approval from the iLEAD Online Director or designee.
- 5. Children of Military Families iLEAD Online shall allow the child of a military family to continue their education in iLEAD Online, regardless of any change of residence of the military family during that school year, for the duration of the student's status as a child of a military family. For a learner whose status changes due to the end of military service of their parent during a school year, iLEAD Online shall comply with either of the following, as applicable:
- 1. If the learner is enrolled in any grade K-8 at iLEAD Online, the learner must be allowed to continue their education in iLEAD Online through the duration of that academic school year; or
- 2. If the learner is enrolled in high school at iLEAD Online, the learner must be allowed to continue their education in iLEAD Online through graduation.

A "child of a military family" means a learner who meets the definition of "children of military families" in Education Code section 49701. This definition requires that the learner live with a parent who is on full-time duty status in the active uniformed service of the United States, including members of the National Guard and Reserve on active duty orders.

- 6. Homeless Youth: iLEAD Online will immediately enroll a homeless youth seeking enrollment in accordance with the federal McKinney-Vento Homeless Assistance Act and Education Code section 48850, regardless of whether the learner can show proof of residency. iLEAD Online will be considered the school of origin for a homeless youth if the learner was attending iLEAD Online when permanently housed, if iLEAD Online was the last school in which the learner was enrolled, or if otherwise required by law. Regardless of any change of residency, a homeless child may continue their education in the school of origin through the duration of homelessness. If the homeless student's status changes before the end of the academic year so that the learner is no longer homeless, either of the following apply, regardless of where the learner resides:
- 1. If enrolled in high school at iLEAD Online, the formerly homeless youth must be allowed to continue their education at iLEAD Online through graduation.
- 2. If enrolled in any grade K-8 at iLEAD Online, the formerly homeless youth must be allowed to continue their education in iLEAD Online through the duration of the academic school year.

"Homeless child" and "homeless youth" have the same meaning as in 42 U.S.C. section 11434a(2).

- 7. **Foster Youth:** iLEAD Online will be considered the school of origin for a foster youth if the child was attending iLEAD Online when permanently housed, if iLEAD Online was the last school in which the learner was enrolled, or if otherwise required by law. Regardless of any change of residency, a foster child shall be allowed to continue their education in the school of origin for the duration of the jurisdiction of the court. iLEAD Online will serve former foster youth, as defined below, whose residency has changed as follows:
- 1. If the jurisdiction of the court is terminated before the end of an academic year at iLEAD Online, the former foster child who is in any grade K-8 must be allowed to continue their education in iLEAD Online through the duration of the academic school year.
- 2. If the jurisdiction of the court is terminated while a foster child is in high school at iLEAD Online, the former foster child must be allowed to continue their education in iLEAD Online through graduation.

"Foster child" has the same meaning as "foster youth," as that term is defined in Education Code section 42238.01(b).

- **8. Migratory Youth:** iLEAD Online shall allow a migratory youth to continue their education in iLEAD Online, regardless of any change of residence of the migratory youth during that school year, for the duration of the student's status as a migratory youth. For a learner whose status changes as a migratory youth during a school year, iLEAD Online shall comply with either of the following, as applicable:
- 1. If the migratory youth is enrolled in any grade K-8 at iLEAD Online, the pupil must be allowed to continue their education in iLEAD Online through the duration of that academic school year.
- 2. If the migratory youth is enrolled in high school at iLEAD Online, the pupil must be allowed to continue their education in iLEAD Online through graduation.

The term "migratory youth" means a learner who meets the definition of "currently migratory child" in Education Code section 54441.

9. Investigation of Inaccurate, Suspicious or False Addresses for Learner Residency: If an employee of iLEAD Online reasonably believes that the parent/guardian of a learner has provided false or unreliable proof of residency, the school's Director or designee may make reasonable efforts to determine that the learner actually meets the residency requirements. In order to initiate an investigation, the iLEAD Online employee who reasonably believes that false or unreliable proof of residency has been provided must document the facts supporting their belief and provide them to the iLEAD Online Director or designee.

An investigation of residency may include:

- 1. Searching the learner information system(s) by entering the student's and parent's/guardian's names to locate siblings and review their residence information.
- 2. Speaking with the learner(s) and/or the parent/guardian for residence information. At no time, however, should any employee inquire about a student's/family's immigration status.
- 3. Mailing a letter to all known current and previous addresses requesting residency verification. The envelope should have "Do Not Forward-Address Correction Requested" written or stamped on it so that the letter will be returned to the school with the family's current address. The new address should be entered into the learner information system(s). If the letter is not

returned or is returned with no forwarding information, the learner and their parent/guardian must be contacted to provide new information.

- 4. Conducting a home visit to establish residency at either the current or previous address.
- 5. Reviewing other publicly available documents to verify the address of students.

An investigation does not allow for the surreptitious photographing or video-recording of pupils whose residency is being investigated. "Surreptitious photographing or video-recording" means the covert collection of photographic or videographic images of persons or places subject to an investigation. The collection of images is not covert if the technology is used in open and public view.

At all times during an investigation of residency, those engaged in the investigation shall identify themselves truthfully as such to individuals contacted or interviewed during the course of the investigation.

Disenrollment Procedures: If iLEAD Online determines that a learner no longer meets the residency requirements to attend iLEAD Online, the iLEAD Online Director or designee shall notify the parent/guardian in writing of the school's intent to disenroll the learner for that reason. The written notice shall be provided at least five school days before the effective date of the disenrollment, and shall be provided in the native language of the learner, the parent/guardian, or the educational rights holder. The notice shall inform the learner, the parent/guardian, or the educational rights holder of the right to request a hearing before a neutral officer within a reasonable number of days. If the parent, guardian, or educational rights holder requests a hearing, the learner shall remain enrolled until the school issues a final decision. At the hearing, the learner shall have a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and shall have the right to bring legal counsel or an advocate. If the parent does not request a hearing by the date stated in the written notice, the learner shall be disenrolled.
