# AB 361 Emergency Legislation Regarding Brown Act Meeting Requirements Board Approved:

Whereas, the Governor signed an Executive Order Suspending the Brown Act until October 1, 2021,

Whereas, the Governor signed Emergency Legislation AB 361 in September 2021,

Whereas, according to AB 361, the public charter school Board may take advantage of additional flexibility in teleconference meetings so long as the school complies with the following:

- The public has access via internet and/or telephone to the Board meeting and can provide public comment in some electronic form,
- The charter school uses it sound discretion and makes reasonable efforts to adhere, as closely as possible, to the other provisions of the Brown Act in order to maximize transparency and provide public access.

Whereas, AB 361 states that:

• If there is a state of emergency proclaimed by the Governor, the same suspension of teleconferencing rules apply, if either state or local officials have imposed or recommended measures to promote social distancing or, by Board vote a finding imminent risk to health or safety of attendees.

Whereas, SB 361 requires:

- The Board must provide means of how public comment will be available (internet/by phone);
- If a technical disruption occurs, no action can be taken; and
- No early requirement for public comment will be set into place and the Board shall allow for "real time" comments during full public comment period; and
- The Board makes a finding every 30 days to continue teleconferencing.

Therefore, based on the Board's 30-day reconsideration of the current circumstances of the State of Emergency and situations of the State of Emergency continues to directly impact the ability of members to meet safely in person, and/or the State or local officials continue to impose or recommend measures to promote social distancing;

The Board has determined that it will hold its next meeting in a hybrid mode allowing Board Members and the public to attend the meetings in person using social distancing requirements or virtually given individual needs and choice of the attendee.

Board of Directors iLEAD Agua Dulce Acton, California

We have audited the financial statements of iLEAD Agua Dulce as of and for the year ended June 30, 2021, and have issued our report thereon dated July 20, 2022. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards, and the 2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Appeals Panel,* as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant audit findings

#### Qualitative aspects of accounting practices

#### Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by iLEAD Agua Dulce are described in Note 1 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during the year ended June 30, 2021.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

#### Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

#### Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

#### Difficulties encountered in performing the audit

Our audit deadline is January 31, 2022 and management needed additional time due to the pandemic and closing the financial statements while transitioning to a new accounting system for 2020-21. This required that they submit a large number of closing entries to complete our audit.

#### Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

#### Corrected misstatements

The attached schedule summarizes all client-prepared adjustments and misstatements (material and immaterial) detected as a result of audit procedures that were corrected by management

#### Disagreements with management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

#### Management representations

We have requested certain representations from management that are included in the management representation letter dated July 20, 2022.

#### Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

#### Other audit findings or issues

The following describes findings or issues arising from the audit that are, in our professional judgment, significant and relevant to your oversight of the financial reporting process:

#### Internal Controls Relating to Closing Process

Type of finding: Material weakness in internal controls over the closing process.

**Condition:** During the course of our audit, we experienced significant delays in completing and issuing the audit report due to delays in the closing process. A total of 17 adjustments were received after the trial balance was provided which were a both client provided adjustments and audit adjustments.

**Criteria or specific requirement:** The closing process should include review of financial information and supporting schedules to ensure proper recording of all transactions in accordance with GAAP.

Effect: The audit report was not submitted by the state deadline.

**Cause:** Staffing shortages and challenges due to the COVID-19 pandemic.

Repeat finding: Not a repeat finding.

**Recommendation:** We recommend that the School update its year-end closing procedures to include additional review to ensure all transactions are accounted for in accordance with GAAP.

#### Other information in documents containing audited financial statements

With respect to the Local Education Agency Organization Structure, Schedule of Instructional Time, and Reconciliation of Annual Financial Report with Audited Financial Statements, and the combining statements of financial position, activities, and cash flows, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statement. (collectively, the supplementary information) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated July 20, 2022.

Our auditors' opinion, the audited financial statements, and the notes to financial statements should only be used in their entirety. Inclusion of the audited financial statements in a document you prepare, such as an annual report, should be done only with our prior approval and review of the document.

#### Upcoming accounting standards

Our promise is to get to know you and help you. For your consideration, we provided recent accounting standards applicable to your entity.

Leases –

- Effective for fiscal years beginning after December 15, 2018 for public entities and December 15, 2021 for nonpublic entities. For your entity June 30, 2023's financial statements.
- Requires lessees to recognize the assets and liabilities arising from all leases on the statement of financial position.

Board of Directors iLEAD Agua Dulce Page 4

- A lessee should recognize the liability to make lease payments (the lease liability) and a right-ofuse asset representing its right to use the underlying asset for the lease term.
- Continued differentiation between finance and operating leases.

#### **INDEPENDENT AUDITORS' REPORT**

Board of Directors iLEAD Agua Dulce Charter School

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of iLEAD Agua Dulce Charter School (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of School as of June 30, 2021, and the changes its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on School's financial statements as a whole. The accompanying supplementary schedules, as listed in the table on contents, are presented for purposes of additional analysis and are not a required part of the basic financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated July 20, 2022 on our consideration of School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering School's internal control over financial reporting and compliance.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

iLEAD Agua Dulce Charter School (the School) is a California nonprofit public benefit corporation and is organized to operate a public charter school.

The School is funded principally through state of California public education monies received through the California Department of Education and the Acton-Agua Dulce Unified School District (the District).

The District has granted the charter through June 30, 2026. The charter may be revoked by the District for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

#### Basis of Accounting

The financial statements have been prepared on the accrual method of accounting, and accordingly reflect all significant receivables and liabilities.

#### **Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

#### Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

#### Cash and Cash Equivalents

School define their cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

#### Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2021. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

#### Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets.

#### Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in deferred revenue.

#### **Property Taxes**

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agencies of the School are required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Compensated Absences**

The School does not allow employees to carry over unused vacation. Accordingly, there were no accumulated compensated absence benefits at June 30, 2021.

#### **Contributions**

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

#### **Conditional Grants**

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2021, the School has conditional grants of \$589,356 of which \$179,185 is recognized as deferred revenue in the statement of financial position.

#### Income Taxes

The School corporation is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files an exempt organization return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

#### Evaluation of Subsequent Events

The School has evaluated subsequent events through July 20, 2022, the date these financial statements were available to be issued.

#### NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and accounts receivable for the total amount of \$1,801,360.

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

#### NOTE 3 CONCENTRATION OF CREDIT RISK

The School maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believe they are not exposed to any significant credit risk on their cash and cash equivalents.

#### NOTE 4 EMPLOYEE RETIREMENT

#### State Teachers' Retirement System (STRS)

#### Plan Description

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. Plan information for STRS is not publicly available. The plan provides retirement, disability, and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2020 total STRS plan net assets are \$283 billion, the total actuarial present value of accumulated plan benefits is \$405 billion, contributions from all employers totaled \$6.1 billion, and the plan is 67.1% funded. The School did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and www.calstrs.com.

#### Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.205% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for the year ended June 30, 2021 was 16.15% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

#### NOTE 4 EMPLOYEE RETIREMENT (CONTINUED)

The Schools contributions to STRS for the past three years are as follows:

	R	equired	Percent
<u>Year Ended June 30.</u>	Cor	ntribution	Contributed
2019	\$	40,398	100%
2020		92,699	100%
2021		148,170	100%

#### NOTE 5 NOTES PAYABLE

#### Charter School Pooled Revenue Anticipation Notes (ASAP Program)

The California School Finance Authority provided the School a loan totaling \$588,330 against accounts receivable from state and property tax revenues. The effective interest rate is estimated at just over 1%. The entire loan balance was outstanding at June 30, 2021. The financing was fully repaid and resolved in September 2021.

Future principal payments are as follows:

<u>Year Ending June 30,</u> 2022 Total Amount \$ 588,330 \$ 588,330

# NOTE 6 SHARED COSTS AND FEES

The School pays a service fee to MLN. Total fees for the year ended June 30, 2021 were \$116,628.

The Schools pays a service fee to iLEAD California 1. Total fees for the year ended June 30, 2021 were \$419,166.

## NOTE 7 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function(s). Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, information technology, occupancy expenses, travel expenses and other expenses, which are allocated on the basis of estimates of time and effort.

#### NOTE 8 CONTINGENCIES AND COMMITMENTS

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

The extent of the impact of COVID-19 on the operational and financial performance of the School will depend on certain developments, including the duration and spread of the outbreak, impact on state and federal funding, donors, employees and vendors; all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the financial condition or results of operations of the School is uncertain.

During the year, the PPP loan principal amount of \$147,400, along with accrued interest, was forgiven by the financial institution. The U.S. Small Business Administration (SBA) may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the School's financial position.

## ILEAD AGUA DULCE CHARTER SCHOOL NOTES TO SUPPLEMENTARY INFORMATION YEAR ENDED JUNE 30, 2021

# NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of California Education Code.

## NOTE 2 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter school as reported on the Annual Financial Report form to the audited financial statements.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors iLEAD Agua Dulce Charter School

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of iLEAD Agua Dulce Charter School (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated July 20, 2022.

# Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as item 2021-001, that we consider to be a material weakness.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Response to Findings**

The School's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

# Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE

Board of Directors iLEAD Agua Dulce Charter School

We have audited the School's compliance with the types of compliance requirements described in the 2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel for the year ended June 30, 2021. The School' state compliance requirements are identified in the table below.

# Management's Responsibility

Management is responsible for the compliance with the state laws and regulations as identified below.

## Auditor's Responsibility

Our responsibility is to express an opinion on the School's compliance based on our audit of the types of compliance requirements referred to below. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the 2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the specific areas listed below has occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on state compliance. Our audit does not provide a legal determination of the School's compliance.

## **Compliance Requirements Tested**

In connection with the audit referred to above, we selected and tested transactions and records to determine the School's compliance with the laws and regulations applicable to the following items:

# **Opinion on State Compliance**

In our opinion, the School complied with the laws and regulations of the state programs referred to above in all material respects for the year ended June 30, 2021.

# Purpose of this Report

The purpose of this report on state compliance is solely to describe the results of testing based on the requirements of the 2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. Accordingly, this report is not suitable for any other purpose.

# 2021-001 Internal Controls Relating to Closing Process

30000

Type of finding: Material weakness in internal controls over the closing process.

**Condition:** During the course of our audit, we experienced significant delays in completing and issuing the audit report due to delays in the closing process. A total of 17 adjustments were received after the trial balance was provided which were a both client provided adjustments and audit adjustments.

**Criteria or specific requirement:** The closing process should include review of financial information and supporting schedules to ensure proper recording of all transactions in accordance with GAAP.

Effect: The audit report was not submitted by the state deadline.

Cause: Staffing shortages and challenges due to the COVID-19 pandemic.

**Repeat finding:** Not a repeat finding.

**Recommendation:** We recommend that the School update its year-end closing procedures to include additional review to ensure all transactions are accounted for in accordance with GAAP.

#### Curriculum and Instruction Independent Study Policy Board Approved: Date

#### Purpose and Scope

For iLEAD Agua Dulce School to provide a procedure and a framework for eligible students to enroll in the iLEAD Agua Dulce Charter ("school") Independent Study programs.

#### General

- 1. Independent Study students must be enrolled in iLEAD Agua Dulce charter.
- 2. iLEAD Agua Dulce retains discretion to approve Independent Study for any pupil.
- 3. All Independent Study students must sign a new Independent Study Master Agreement ("MA") every year.
- Independent Study Teacher of Record A certificated teacher of iLEAD Agua Dulce must supervise, coordinate, and evaluate the work of each student engaged in Independent Study.
- 5. The Independent Study Teacher of Record may grant no more than one day of apportionment credit (ADA) for each day that the school is in session, and only to the extent of the time value of pupil or student work products as personally judged by Teacher of Record, or the combined time value of pupil work product and pupil participation in synchronous instruction, per learning period.
- 6. In a charter school, the ratio of average daily attendance for independent study pupils to full time equivalent (FTE) certificated employees responsible for independent study shall not exceed a pupil-teacher ratio of 25:1 or the ratio of pupils to full-time equivalent certificated for all other educational programs operated by the largest unified school district, as measured by average daily attendance, as reported at the second principal apportionment in the prior year, in the county or counties in which the charter school operates.
- An individual with exceptional needs as defined in Education Code Section 56026 may participate in independent study if his or her individualized education program (IEP) specifically provides for that participation.
- 8. The school shall provide appropriate existing services and resources to enable students to complete their independent study successfully
- 9. The School Director shall report to the board the number of students in independent study by typical categories of study and duration; the ADA generated; a description of the students' performance on those indicators of quality which the board may specify; and the number and proportion of students, by typical categories, who graduate or successfully complete their studies.
- 10. The school will provide content to students aligned to grade level standards that is substantially equivalent to in-person instruction. For high school students, this includes access to all courses offered by the school for graduation and approved by the University of California or the California State University as creditable under the A–G admissions criteria.

#### Master Agreements

The School Director or designee shall ensure that the school executes a written independent study agreement with each participating student as prescribed by law. Individual independent study agreements and any subordinate contracts and assignments must be consistent with the school's adopted course of study.

The independent study agreement for a student must require and cover a study plan that represents no less than the equivalent of a minimum school day for the student's grade level for every school day covered by the agreement. Written agreements may include subsidiary agreements, such as course contracts.

#### Written Learning Agreements shall include

- A schedule of manner, frequency, date, time, and place for submitting a student's assignments, for reporting the student's academic progress, and for communicating with a student's parent or guardian regarding a pupil's academic progress.
- 2. The objectives and methods of study for the student's work, and the methods utilized used to evaluate that work.
- The specific resources, including materials and staff, which will be made available to the student. These resources shall include confirming or providing access to all students to the connectivity and devices adequate to participate in the educational program and complete assigned work.
- 4. A statement of the school's policies regarding the maximum length of time allowed between the assignment and the completion of a student's assigned work, the level of satisfactory educational progress, and the number of missed assignments allowed before an evaluation of whether or not the student should be allowed to continue in independent study.
- 5. The duration of the independent study agreement, including the beginning and ending dates for the student's participation in independent study under the agreement. No independent study agreement shall be valid for any period longer than one school year.
- A statement of the number of course credits or, for the elementary grades, other measures of academic accomplishment appropriate to the agreement, to be earned by the pupil upon completion.
- 7. A statement detailing the academic and other supports that will be provided to address the needs of students who are not performing at grade level, or need support in other areas, such as English learners, individuals with exceptional needs in order to be consistent with the student's IEP or plan pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794), students in foster care or experiencing homelessness, and students requiring mental health supports.
- 8. A statement that independent study is an optional educational alternative in which no student may be required to participate. In the case of a student who is referred or assigned to any school, class, or program pursuant to Education Code Section 48915 or 48917, the agreement also shall include the statement that instruction may be provided to the student through independent study only if the student is offered the alternative of classroom instruction.

**Deleted:** A written independent study agreement shall be executed for each participating student. Each agreement shall be signed and in effect prior to the start of reporting attendance (ADA) pursuant to that agreement. Notwithstanding the foregoing, for the 2021-22 school year only, each agreement shall be signed no later than 30 days after the first day of instruction

The learning agreement shall be signed by the pupil and, if the pupil is less than 18 years of age, the pupil's parent or legal guardian, the certificated employee who has been designated as having responsibility for the general supervision of independent study, and the certificated employee designated as having responsibility for the special education programming of the pupil, as applicable, The signed learning agreement constitutes permission from a pupil's parent or legal guardian, if the pupil is less than 18 years of age, for the pupil to receive instruction through independent study.

A physical or electronic copy of the signed learning agreement shall be retained by the school for at least three years and as appropriate for auditing purposes.

For purposes of this section, an electronic copy includes a computer or electronic stored image of an original document, including, but not limited to, portable document format, JPEG, or other digital image file type, that may be sent via fax machine, email, or other electronic means.

Before signing a written agreement the parent or guardian of a student <u>may request that the</u> school conduct a phone, videoconference, or in-person student-parent-educator conference or other school meeting during which the student, parent or guardian, and, if requested by the student or parent, an education advocate, may ask questions about the educational options, including which curriculum offerings and nonacademic supports will be available to the student in independent study, before making the decision about enrollment or disenrollment in the various options for learning.

#### Participation may be limited:

1. An individual with disabilities, as defined in Education Code 56026, may participate in

- independent study if his/her IEP specifically provides for such participation.
- Students enrolling in independent study must be residents of the local county or an adjacent county.

#### Maximum Length of Time to show evidence of work completion

For pupils in all grade levels offered by iLEAD Agua Dulce the maximum length of time that may elapse to show evidence of work completion shall be twenty (20) school days.

#### **Guidelines for Missing Evidence of Work Completion**

If any student fails to complete at least 75% of work assigned for one learning period, is not making satisfactory educational progress as defined below, and/or accumulates 20 absences due to insufficient work completion and/or engagement as evaluated by the facilitator, the school may conduct an evaluation to support the needs of the student, which may result in a determination that this independent study program is not an appropriate fit for the student.

A student is deemed to be making "satisfactory educational progress" if the student is progressing toward meeting the goals and/or metrics pursuant to their Personalized Learning Plan and/or their IEP. The School Director or designee is responsible for making this determination based on all of the following indicators:

- The student's achievement and engagement in the independent study program, as indicated by the student's performance on student-level measures of student achievement and student engagement set forth in Education Code Section 52060(d)(4)-(5).
- The completion of assignments, assessments, or other indicators that show the student is working on assignments.
- 3. Learning required concepts, as determined by the teacher or record.

A written record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. This record shall be maintained for a period of three (3) years from the date of the evaluation and if the pupil transfers to another California public school, the record shall be forwarded to that school.

#### **Return to In-Person Instruction**

This section only applies to pupils who participate in Independent Study at the school for at least 15 school days in a school year. A pupil's parent/guardian may request their pupil return to inperson instruction from independent study by making a written request to the School Director or the pupil's Teacher of Record. If there is capacity in the school's in-person program at the pupil's grade level, the school will transition the pupil's grade level.

#### **Tiered Reengagement**

This section only applies to pupils who participate in Independent Study at the school for at least 15 school days in a school year. If a student does not generate attendance for <u>more than 10% of required minimum instructional time over four continuous weeks of the school's approved</u> instructional calendar, students found not participatory in synchronous instructional offerings pursuant to Education Code 51747.5 for more than 50% of the scheduled times of synchronous instruction in a school month as applicable by grade span, or for student who are in violation of their written agreement, the school will:

- 1. Verify current contact information for each enrolled student;
- Notify parents or guardians of lack of participation within one school day of the student's absence or lack of participation (e.g., via email, message, text, telephone, letter, etc.);
- 3. Reach out to the student directly and/or parents or guardians, as well as health and social services as necessary, to determine the student's needs for reengagement; and
- 4. If the student fails to complete at least 75% of work assigned for one learning period, is not making satisfactory educational progress as defined herein, and/or accumulates 20 absences due to insufficient work completion and/or engagement as evaluated by the facilitator, the school will schedule a student-parent-educator conference (a meeting involving all individuals who signed the student's written agreement) to review the student's agreement and reconsider the independent study program's impact on the student's achievement and well-being.
- 5. Implement any local programs intended to address chronic absenteeism, as applicable.

#### Live Interaction and Synchronous Instruction

This section only applies to pupils who participate in Independent Study at iLEAD Agua Dulce for at least 15 school days in a school year. Based on each student's grade level, their assigned Teacher of Record(s) will schedule and offer opportunities for synchronous instruction and daily live interaction at least as frequently as set forth below.

"Live interaction" means interaction between the student and school staff, and may include peers, to maintain school connectedness. Examples of live interaction include check-ins, progress monitoring, provision of services, and instruction, and live interaction can be in-person or in the form of internet or telephonic communication.

**Deleted:** more than three school days or 60% of the instructional days in a school week...

**Deleted:** <#>A plan to evaluate the pupil's achievement and necessary support through the school's Multi-Tiered Systems of Support process.¶ "Synchronous instruction" means classroom-style instruction, designated small-group instruction, or one-on-one instruction delivered in person or in the form of internet or telephonic communication by the student's assigned Teacher of Record(s), and involving live two-way communication.

- 1. For students in grades TK-3, inclusive, their assigned Teacher of Record(s) will schedule and offer opportunities for daily synchronous instruction.
- 2. For students in grades 4-8, their assigned Teacher of Record(s) will schedule and offer opportunities for weekly synchronous instruction and daily live interaction.
- 3. For students in grades 9-12, their assigned Teacher of Record(s) will schedule and offer opportunities for weekly synchronous instruction.

The school will document each student's participation in live interaction and synchronous instruction on each school day, as applicable, in whole or in part, for which independent study is provided. A student who does not participate in independent study on a school day will be documented as non-participatory for that school day.

#### Methods of evaluating evidence of work completion

State mandated assessments (mandatory), portfolio, parent and Independent Study Facilitator's observations, assigned work, work samples, student conferences, and any other testing as required by school, including, but not limited to, pre and post assessments.

#### **Resources Available to Independent Home Study Students**

This student is entitled to school services including, but not limited to, school personnel, a credentialed teacher, textbooks, computers and software, supplementary materials, educational activities, and community services.

#### Short Term Independent Study

A short-term Independent Study contract is a voluntary alternative to a regular classroom program of instruction when a learner is absent from school for not less than three (3) and not more than ten (10) consecutive school days and not more than twenty (20) school days a year.

Requests for Independent Study contracts must be given to the School Director, or designee, at least 3 school days prior to the first day of the absence (in the event of an emergency, contact the director.)

All assigned work is due on the day upon which the learner is scheduled to return to the classroom.

# **Open Up Resources Terms & Conditions**

### **Pricing Information:**

- All prices are in US dollars and valid for 30 days from the date of this proposal. After this time period, prices, products, and services are subject to change without notice.
- Note: This is a cost proposal, not a formal contract.
- Due to some titles occasionally going out of print, the availability of recommended titles in tradebook bundles may change at any time. This includes titles contained in custom tradebook bundles. If a title cannot be included in your order, we will update your invoice to reflect the updated contents of your order. Please review the packing slip included with your order, to be certain you know which products you have received.
- Due to changes in book pricing, tradebook prices may be subject to change. If a tradebook price changes after we have submitted a quote to you, we may contact you to provide an updated quote.

## Shipping and Handling Charges:

- All orders for Alaska and Hawaii will be charged shipping based on weight and distance.
- Standard orders will be shipped via ground carrier, standard delivery.
- Books are packed in cartons labeled with Grade and Unit Number. Pallets will be organized by the receiving school or district to aid in distribution to the appropriate locations. To minimize the number of pallets shipped per school, materials for more than one grade level may appear on a single pallet.
- \*Additional charges may apply for expedited shipments or exceptionally large orders; please contact your field specialist if you have special shipping or delivery requirements. Requests for shipping or product order changes after submission of your order will be accommodated whenever possible, though fees for re-direction may apply.

### **Ordering Information:**

Please submit your official purchase order, with authorized signature(s), electronically to your field specialist. Include:

- Your complete billing address.
- A primary contact name, email address, phone number, title, school, district, street address, city, state, and zip code.
- A copy of this proposal.
- Any additional special requirements for delivery.

### **Payment Information:**

- We kindly request payment within 30 days. Open Up Resources is a 501C3 not-for-profit organization.
- A 3% service charge will be applied for credit card payments.
- After 90 days, a fee of 1.5% per month will be charged on unpaid balances

### Shortages and Damaged Materials

Please inventory your materials upon receipt. Open Up Resources will replace damaged, missing, or incorrect materials from an order at no cost to the customer if notified within 30 days of the shipment arrival date.

Return requests for any other reason must be made within 30 days of the shipment arrival date and will be considered by Open Up Resources on a case-by-case basis.

### The following materials are not refundable:

- Custom trade book bundles and their bins
- Lab Materials Kits

### Warranty:

- Open Up warrants to the District that for one year from the date of purchase (the 'Warranty Period'), all
  printed textbooks provided by Open Up pursuant to this RFP ('Textbooks') will be free from material
  manufacturing defects in material and workmanship that render such Textbooks unusable. To the extent
  that a material manufacturing defect that makes any Textbook unusable is discovered during the
  Warranty Period, Open Up will provide the District with a functionally equivalent replacement Textbook
  at no additional cost to the District. EXCEPT FOR THE WARRANTY SET FORTH ABOVE, OPEN UP MAKES
  NO WARRANTY WHATSOEVER WITH RESPECT TO THE TEXTBOOKS, INCLUDING ANY (A) WARRANTY OF
  MERCHANTABILITY OR (B) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WHETHER EXPRESS OR
  IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE.
  THIS WARRANTY DOES NOT APPLY TO LAB MATERIALS KITS.
- The District must make best efforts to inspect books for material defects within 60 days of receipt to ensure timely replacement.
- Issues requiring warranty support may be directed to support@openup.org.

### **Tax Information:**

Taxes have been estimated based on Open Up Resources' understanding of applicable taxes in your school's location. They will be confirmed at the time of invoicing.

# Additional Kiddom Terms & Conditions
