## **AB 361 Emergency Legislation Regarding Brown Act Meeting Requirements Board Approved:**

Whereas, the Governor signed an Executive Order Suspending the Brown Act until October 1, 2021,

Whereas, the Governor signed Emergency Legislation AB 361 in September 2021,

Whereas, according to AB 361, the public charter school Board may take advantage of additional flexibility in teleconference meetings so long as the school complies with the following:

- The public has access via internet and/or telephone to the Board meeting and can provide public comment in some electronic form,
- The charter school uses its sound discretion and makes reasonable efforts to adhere, as closely as possible, to the other provisions of the Brown Act in order to maximize transparency and provide public access.

Whereas, AB 361 states that:

- If there is a state of emergency proclaimed by the Governor, the same suspension of teleconferencing rules apply, if either state or local officials have imposed or recommended measures to promote social distancing or, by Board vote a finding imminent risk to health or safety of attendees.

Whereas, SB 361 requires:

- The Board must provide means of how public comment will be available (internet/by phone);
- If a technical disruption occurs, no action can be taken; and
- No early requirement for public comment will be set into place and the Board shall allow for “real time” comments during full public comment period; and
- The Board makes a finding every 30 days to continue teleconferencing.

Therefore, based on the Board’s 30-day reconsideration of the current circumstances of the State of Emergency and situations of the State of Emergency continues to directly impact the ability of members to meet safely in person, and/or the State or local officials continue to impose or recommend measures to promote social distancing;

The Board has determined that it will hold its next meeting in a hybrid mode allowing Board Members and the public to attend the meetings in person using social distancing requirements or virtually given individual needs and choice of the attendee.

## **NOTES**

When discussing School Director Evaluation, other than “oblique references” to compensation in closed session (e.g., whether the School Director deserves a raise based on the evaluation), the discussion/decision on that person’s compensation must happen in open session. So usually, the above closed session item would be followed by an open session item such as:

### 1. School Director Employment Agreement

That is where the board can discuss the terms of the contract and proposed compensation, and approve. Remember that when the board takes action on any executive compensation, prior to taking final action the board must orally report a summary of the recommendation for compensation per Gov. Code section 54953(c)(3), and action on executive compensation can only happen at a regular meeting (not a special meeting). The Board must also review for reasonableness, e.g. by looking at comparable data. Below is some sample language for an oral summary, which will need to be revised based on the actual proposed compensation:

“We would like to approve the (name of school) Director Contract for the (xxxx-xxxx) school year, beginning on July 1, (xxxx) and concluding June 30, (xxxx).

School Director’s annual pay has increased (#)% for an annual salary of \$(xxxxxx), with the possibility of annual raises at the board’s discretion, except that she/he will be eligible for cost of living increases given to other staff. She/He will be entitled to participate in the employee benefit program at the same rate as all current employees, which currently is at \$(xxx) per month.”

In practice, the way this usually works is that the board chair, counsel for the school, the school director, and their lawyer if they have one, communicate ahead of the meeting to come up with a compensation number and contract terms to propose to the full board. Or sometimes, the board will appoint an ad hoc committee to do that negotiating work.

## Employee Referral Program Process & Guidelines

**We need your help!** Santa Clarita Valley International Charter School (SCVi) is always looking for great individuals to join our team, and now more than ever, we need fun, compassionate, inspirational individuals to join us.

We are excited to implement an Employee Referral Program (ERP) as an important part of the recruitment process. SCVi employees can now receive a referral bonus of up to \$1,000\* (*less applicable taxes and deductions*).

**That's where you come in!** We are encouraging employees to check SCVi's vacant positions on Indeed or Edjoin and think about your social networks as potential resources to help refer candidates to SCVi.

### Employee Referral Program Process:

**Who Can Make a Referral?** All SCVi employees can make a referral. However to be eligible for this program and to receive the referral bonus, the referred candidate must be made to the school/program of the referring staff member. (*For more information regarding this question, refer to the provisions listed in Appendix A.*)

**How much is the referral Bonus?** The Employee Services department will inform employees beforehand, so they know the bonus amount. The referral bonus depends on the position vacancy. The bonus amounts are different for each position. There will be some positions that will be identified as hard to fill. In general, the **Referral Reward Payment Tier 1:** As of *September 14, 2022* the new Employee Referral Program Bonus amount is set at \$500 (general positions), \$1000 (hard to fill)\*. All referral bonuses will be divided into 2 payments and are subject to all applicable taxes and deductions (*\* hard to fill details outlined in appendix A of this document*).

**How do I refer someone?** The process of referring an applicant (candidate) is simple. The applicant is required to indicate that you referred them on their online application in the appropriate field (on the SCVi Applications the section would be: **"referral"** source, and **"Name"**). Please instruct the candidate you are referring to list **"OTHER"** as the source. SCVi employees are asked to complete the Employee Referral Program form using this following link: [ERP Incentive Form](#)

SCVi's employment application allows for the candidate to explicitly type in the referring employee's name. The employee's full name must be completely typed into the application. In the event that the same candidate is referred by more than one employee, the given employee's name on the application will govern.

**How soon would I receive the payment? Payments:** Once a referral is hired and completes 90 days of service at SCVi the employee that made the referral will receive half of the referral bonus during the next scheduled referral payment cycle (check requests are processed semi-monthly). The referring employee will then receive the second half of the referral bonus when the referred employee meets their 12 month anniversary. **Please Note: Both** employees have to be employed at the time of the payment, in order to receive the payment. Bonuses are considered supplemental wages and are therefore taxable as defined by the Internal Revenue Service (IRS).

**Is there a cap to how many employees' I can refer?** There is no cap on the number of referrals an employee can make. We ask that employee's keep in mind that this program is provided to help employee's refer candidates that they **truly believe** will be successful in serving SCVi's mission, help support SCVi's vision and can exemplify SCVi's

values. We ***dissuade*** employees who seek to only refer candidates solely for the bonus money and not for a true fit for the organization or vacancy.

**How will I know that a referral has been hired?** Employee Services will notify the referring employee of their eligibility and time frame of when they will be eligible for their referral bonus via email from [employeeservices@ileadcalifornia.org](mailto:employeeservices@ileadcalifornia.org). Employee Services will complete the payment request and submit it to the Payroll department to pay the referral bonus. The payment will be reflected in the employee's paycheck. As for the applicant you are referring, we asked that you remind them to notify you if they are hired to work at SCVi.

## APPENDIX A

---

### PLEASE NOTE THE FOLLOWING PROVISIONS AND GUIDELINES:

- **Continued from “Who can make a referral?”:** The following positions are not eligible to participate in the ERP:
  - Director levels and above
  - Employee Services personnel
  - Any persons with hiring authority over the referred candidates
- **Notification:** The Employee Services department will notify the referring employee of their eligibility and time frame of when they will be eligible for their referral bonus via email from [employeeservices@SCVicalifornia.org](mailto:employeeservices@SCVicalifornia.org). The Employee Services department will complete the Personnel Action Form and submit to the Payroll Department to pay the referral bonus. The payment will be reflected in the employee’s paycheck.
- **Program Changes:** We may change our referral bonus program over time to add more interesting incentives. We also reserve the right to abolish certain bonuses if they prove ineffective or inefficient. Employees who referred candidates before a bonus was abolished or changed will still receive the appropriate bonus.
- **Referred candidates** cannot be current or previously employed employees of the SCVi or iLEAD network in any capacity, to include temporary, unpaid intern status or contracted employees.
- **Hiring Guidelines:**

SCVi is an Equal Opportunity Employer and is committed to fostering diversity within its staff. SCVi promotes equal opportunity for all employees and applicants. In doing so, we comply with local, state, and federal laws and regulations to ensure an equal employment opportunity for everyone. We don’t discriminate in employment opportunities or practices on the basis of race, ancestry, color, religion, gender, sexual orientation, gender identity, national origin, age, disability, citizenship, military service obligation, veteran status or any other basis protected by federal, state or local laws. Our policies and personnel practices are intended to ensure that all of us are treated equally with regard to recruiting, hiring, and advancement, and our decisions on employment are made to further the principle of equal employment opportunities for employees.

SCVi will look to select the best candidate for the position despite if the candidate has been referred. While an employee referral program is a great recruiting tool, SCVi will only use this program as a percentage of its recruiting effort to avoid creating an unintentional disparate impact on some protected groups if employees refer candidates of the same race, religion, national origin, or any other protected class. All candidates will be evaluated for employment consistent with SCVi policies and procedures. All information regarding the hiring decision will remain strictly confidential. Any disputes or interpretations of the program will be handled through Employee Services.

### Other Things You Should Know

Employee Referral Programs are more effective when hiring managers prioritize hiring. We asked hiring managers to review all applications and screen for the most qualified candidates. Collectively, timeliness and communication to the candidates will be crucial in the success of this program. If you have any questions regarding the program, please contact the Employee Services team at [employeeservices@SCVicalifornia.org](mailto:employeeservices@SCVicalifornia.org).

Please note: For part-time positions (less than 30 hours a week) referral amount will be 50 percent of what’s listed below.
