Santa Clarita Valley International A-G Completion Improvement Grant Plan

School Name: Santa Clarita Valley International

School Vision and Mission:

Vision: "Free to Think. Inspired to Lead."

Mission: Through AUTHENTIC Project-Based Learning, SCVi Charter School inspires LIFELONG LEARNERS with the skills to lead in the 21st CENTURY.

At SCVi-iLEAD we've built a model based on what we believe to be the best of all that is out there. We believe passionately in project-based learning not because it's a fad but because it goes to the heart of how kids learn. We've incorporated technology not as a spiffy add-on but as an organic part of the learning process in the 21st century.

We value and encourage leadership not just as a part of a career track but by instilling in each learner the confidence and character that inspire others.

It's not unusual that we want our learners to think for themselves. But to do this requires a grounding in the arts, in design and in humanities, and the need to feel at home in the world. For us, "thinking for themselves" is not just about solving problems but about an organic vision of the world they live in and one they will inherit. Finally, we value the social and emotional development of our learners. We believe there is an implicit, as well as an explicit, curriculum to teach. Our goal is nothing short of learning, to change the world.

Describe how the funds will support pupils, including tutoring programs, to improve access to A-G courses and the LEAs A-G completion rate

Using survey data, staff input, and evidence-based research, Santa Clarita Valley International plans to implement the following to increase the school's A-G completion rate:

1. Market, offer, and support credit recovery opportunities for learners receiving a D or F in an A-G course Spring 2020 and 2020-2021. Credit recovery may occur during summer or the school calendar year. Communication will include educating learners and families on the benefit or retaking courses and completing A-G requirements. Learner success rates will be tracked.
2. Increase parent/family engagement in A-G course progress with new systems for digital progress tracking and communication.
3. Develop internal credit recovery courses for increased access and success for learners who need to retake an A-G course.
4. Increase college/career awareness, planning, and culture through SCOIR and YouScience curriculum to increase the number of learners attempting A-G completion.

A description of how the funds will be used to increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility

Santa Clarita Valley International currently serves approximately 35% unduplicated learners. Santa Clarita Valley International will implement several actions and services to increase or improve services for unduplicated pupils to improve their A-G eligibility.

Developing in-house credit recovery courses using SDAIE for EL success will provide Santa Clarita Valley

International more effective credit recovery opportunities for English learners.

Providing just-in-time, digital, and accessible parent/family resources will bridge the gap between school and home, providing more access for low-socioeconomic families to engage in student progress and support success.

Providing curriculum and resources for first generation college applicants will increase equity and access for unduplicated learners and build a strong college-going culture, which will increase the number of unduplicated learners attempting A-G coursework.

A description of the extent to which all students, including foster youth, low-income students, and English learners, will have access to A-G courses approved by the University of California.

Santa Clarita Valley International maintains a robust and accurate UC approved A-G course list through its course catalog. All learners have the opportunity to customize their graduation plan and semester schedule with the school counselor. Learners may also take college course credits at partnering community colleges for A-G credit. Completion of UC A-G course requirements is highly encouraged for all learners but not required.

The number of students who were identified for opportunities to retake A-G approved courses in which they received a “D”, “F”, or “Fail” grade in the 2020 spring semester or the 2020-21 school year and a description of the method used to offer the opportunity retake courses.

26 learners. Learners will be offered credit recovery courses through approved vendors during the school year.

A description of how the plan and described services, and associated expenditures, if applicable, supplement services in the Local Control and Accountability Plan and Learning Recovery Plan.

The plan and described services supplement the LCAP and Learning Recovery Plan rather than supplant. Credit recovery for learners who received a D in an A-G course, coverage of AP exam fees for unduplicated learners not planned expenditures in the LCAP or Learning Recovery Plan.

While a strategy/action in the LCAP is to improve CCI and graduation rates, no specific actions or planned expenditures in this proposed A-G plan are included in the current LCAP cycle.

The following is our company's holiday benefit policy that outlines all the days of the year that we acknowledge and observe as holidays. Santa Clarita Valley International ("SCVi") will close its doors on these days and employees are expected to comply by not working. Work done on a day that falls on an observed holiday will only be approved when the work is absolutely necessary to perform vital job functions related to the needs of the organization such as payroll information submission, state reporting, or any urgent matters that cannot be delayed until after the holiday.
