### **Plan Summary**

iLEAD Agua Dulce Charter School has received \$139,692 from the CDE as part of the Arts, Music, and Instructional Materials (AMIM) Discretionary Grant.

AMIM Grant funds are allocated to LEAs for five purposes enumerated in Section 134(a) of Chapter 2 of the Statutes of 2022, as amended by Section 56 of AB 185, which may be briefly summarized as: (1) obtaining standards-aligned professional development and instructional materials for specified subject areas; (2) obtaining professional development and instructional materials for improving school climate; (3) developing diverse, culturally relevant and multilingual school library book collections; (4) operational costs, including retirement and health care cost increases; and (5) COVID-19-related costs necessary to keep pupils and staff safe and schools open for in-person instruction.

A description of how the plan and described services, and associated expenditures, if applicable, supplement services in the Local Control and Accountability Plan.

iLEAD Agua Dulce Charter School plans to use the majority of these funds to offset the recent retirement and health care cost increases. Any remaining funds will be used to buy additional instructional materials as per directors request.
